RE: Amendments to Governor Gianforte's 2027 Biennium Executive Budget

In accordance with 17-7-112, MCA, I am submitting the following formal written amendments to the November 15 preliminary 2025 biennium Executive Budget. The changes are broken out between substantive changes, technical corrections, and narrative updates. Most, if not all, of these changes have already been discussed with your staff. In fact, many of the technical and narrative changes came at the request of your staff. Changes are reflected in the H02 version in IBARS.

Substantive Changes

- In the Department of Transportation, PL 705 in the Motor Pool Program was removed.
- Language was added for the Department of Corrections and the Office of Public Defender related to biennial appropriations and NP 380 was increased by \$2.65 million each fiscal year.
- In the Office of Public Instruction, state special revenue was increased, and general fund was decreased in PL 918, and funding for PL 919 was increased by \$13,913,031 general fund in FY 2027.
- In the Department of Justice, funding for SWPL 2 (program 6) was changed from general fund to proprietary funds and NP 1901 was added.
- In the Department of Natural Resources and Conservation, funding was changed in NP 24020 from \$500,000 for the biennium to \$500,000 each year.
- In the Department of Environmental Quality, state special revenue was increased in DP 50003 so that the change package includes \$500,000 each year rather than for the biennium.
- Changes made to HB 5 that are reflected in the introduced bill include eliminating a project for the Department of Corrections (\$1,050,000), increasing operations and maintenance expenses for the Department of Corrections (\$368,555), eliminating the general fund transfer, adding an appropriation for the Department of Administration from the Capital Land Grant account, adding operations and

maintenance expenses for the Governor's Office (\$270,250), and adding \$1 million federal funds for the Department of Military Affairs.

- A change was made to HB 10 that is reflected in the introduced bill adding a project for the Department of Corrections (\$1,500,000).
- Change packages were added to move Adult Basic Education from the Office of Public Instruction to the Department of Labor and Industry, contingent on the passage and approval of legislation.
- In the Department of Revenue, more detail was provided for the change packages to implement property tax cuts. In addition, \$2.3 million over the biennium was added to the change packages.

- In the Department of Public Health and Human Services funding was moved between reporting levels in IBARS for NP10701 (10-30-01 to 10-01-06), NP 10703 (10-01-02 to 10-30-01), NP 10709 (10-30-01 to 10-01-09), NP 10717 (10 – 30-01 to 10-01-06), NP 10718 (10-30-01 to 10-30-05), and NP 10722 (10-30-01 to 10-01-01, 10-01-06, 10-01-07, and 10-20-03).
